**ANGELS ON THE ATLANTIC RECEIVES \$15,000 DONATION  
FROM FOX & ROACH CHARITIES**

OCEAN CITY, NJ—January XX, 2009—Angels on the Atlantic, a non-profit organization that provides a recreational, beachside experience to underserved, inner-city youth, today announced it has received a \$15,000 donation from Fox & Roach Charities.

The donation will enable Angels on the Atlantic to continue its mission and to further develop its handicapped accessible beach program. This would include the purchase of beach accessible wheelchairs and the installation of board walks for the wheelchairs to access to the beach. The program is set to resume in June 2009 and will provide direct access to the beach for the physically challenged.

"Funding programs like this one is inspiring and we're delighted to help support Angels on the Atlantic," explains Gerry Griesser, President of Fox & Roach Charities, "to make a difference in the lives of so many inner-city youth and give them this life changing opportunity."

From Camden to Philadelphia, more than 100,000 children between the ages of 5 through 17 live in poverty. This year will mark the fourth consecutive summer that Angels on the Atlantic will welcome underserved, inner-city children, ages 7 to 15 from Camden, NJ and Philadelphia to an ocean front haven providing complimentary daily programs that include beach access, beach tags, t-shirts, games, educational activities, keepsakes, refreshments and lunch. Offerings include a diverse range of

programs and activities on a rotated calendar basis, ensuring a fresh experience for even the most frequent visitors.

"We are grateful for the generous donation from Fox & Roach Charities," said Jeanie Wechsler Hubach, Co-Founder and CEO, Angels on the Atlantic. "This substantial gift - our first of the new year - allows us to enhance our handicapped accessible beachfront program and gives us the opportunity to support more children than ever before."
